PURPOSE

To explain to our school community the Department's and Donvale Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Donvale Primary School and,
2. Students' personal mobile phones and other personal mobile device when they are on site.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. It also includes other wearable devices including Smartwatches.

For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as Smartwatches.

POLICY

Donvale Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Donvale Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored at the office, during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Donvale Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones and other wearable devices owned by students at Donvale Primary School are considered valuable items, and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone and other devices to school unless there is a compelling reason to do so. Please note that Donvale Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Donvale Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Donvale Primary School students are required to hand in their mobile device to the General Office at the beginning of the day and collect it at the end of the day. The Office Manager will ensure that their phone is stored in the office security room.

Enforcement

Students who use their personal mobile phones inappropriately at Donvale Primary School may be issued with consequences consistent with our school's existing student engagement policies:

- DPS Bullying and Harassment
- DPS Student Wellbeing and Engagement Policy

At Donvale Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone or device to:
